

IPA Ipswich

One of more than 50 Branches Australia wide, IPA Ipswich provides quality employment services to local employees and has done so for over 25 years. Our 14 professional staff strives to provide friendly and professional JSA services investing in the local community.

For Jobseekers:

IPA has strong relationships with local community organisations and through our Community Corners and Community Alliance Meetings you will have access to quality service providers and gain valuable skills. IPA is equipped with the resources to assist you to achieve your employment goals.

For Employers:

At IPA Job Services Australia, the focus is simple – it's about matching our candidates to employer's needs at low or often times, no cost to employers. We have the work ready candidates suited to your organisations needs.

The key to our success is recognising the skills and experience of the people who walk through our doors and being able to provide them with the necessary support, preparation and training to place them in the right job.

Not only does IPA have fantastic candidates, we also get them job ready. In order to get you the best fit for the job we:

- ✓ Help with up-skilling through training and the Federal Government's pre-employment productivity placement initiative.
- ✓ Help facilitate pre-employment training
- ✓ Identify the right person for the job, based on understanding of employer's needs
- ✓ Help with any attire or presentation requirements
- ✓ Provide ongoing mentoring and support
- ✓ Have programs training indigenous job seekers for employment
- ✓ Take all the hard work and cost out of the recruiting process

Our staff are trained and experienced in matching the skill sets of unemployed job seekers to assist your workforce needs.
